Upon initial issuance, the ownership of such Series 2013A Bonds shall be registered in the registration books of the Registrar in the name of Cede & Co., as nominee of DTC. The Trustee, the Registrar, Series 2013A Bond Insurer and the Authority may treat DTC (or its nominee) as the sole and exclusive owner of the Series 2013A Bonds registered in its name for the purposes of payment of the principal or redemption price of, premium (if any) on or interest on the Series 2013A Bonds, selecting the Series 2013A Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under the Master Indenture or this Ninth Supplemental Indenture, registering the transfer of Series 2013A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever, and neither the Trustee, the Registrar, Series 2013A Bond Insurer nor the Authority shall be affected by any notice to the contrary. The Trustee shall pay all principal of and premium, if any, and interest on the Series 2013A Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to the principal of and premium, if any, and interest on the Series 2013A Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Series 2013A Bond evidencing the obligation of the Authority to make payments of principal of and premium, if any, and interest pursuant to the Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to Record Dates, the word "Cede & Co." in this Ninth Supplemental Indenture shall refer to such new nominee of DTC.

(c) Notwithstanding any other provision of the Master Indenture and this Ninth Supplemental Indenture to the contrary, so long as any Series 2013A Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on such Series 2013A Bond and all notices with respect to such Series 2013A Bond shall be made and given, respectively, to DTC as provided in the Representation Letter.

(d) In connection with any notice or other communication to be provided to Bondholders pursuant to the Master Indenture and this Ninth Supplemental Indenture by the Authority or the Trustee with respect to any consent or other action to be taken by Bondholders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

(e) NONE OF THE AUTHORITY, THE CITY OF LOS ANGELES, THE CITY OF LONG BEACH, THE REGISTRAR, THE SERIES 2013A BOND INSURER OR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS WITH RESPECT TO: THE PAYMENT BY DTC, ANY DTC PARTICIPANT OR ANY INDIRECT PARTICIPANT OF THE PRINCIPAL OF OR INTEREST ON THE SERIES 2013A BONDS; THE PROVIDING OF NOTICE TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS; THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC PARTICIPANT OR ANY INDIRECT PARTICIPANT; OR ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS OWNER OF THE SERIES 2013A BONDS.

### **ARTICLE III REDEMPTION**

Section 3.01 *Notices to Bondholders.* The Trustee shall give notice of redemption (which, in the case of optional redemption, may be conditional), in the name of the Authority, to Bondholders of the Series 2013A Bonds to be redeemed pursuant to this Article III at least thirty (30) days (or at least twenty (20) days for Book-Entry Bonds) but not more than sixty (60) days before each dated fixed for redemption. The Trustee shall send such notices of redemption by first-class mail (or with respect to Series 2013A Bonds held by DTC, in accordance with DTC

Each notice of redemption shall specify the Series 2013A Bonds to be redeemed, the date of issue, the maturity date thereof, if less than all Series 2013A Bonds of a maturity are called for redemption, the numbers of the Series 2013A Bonds, the principal amount and the CUSIP numbers assigned to the Series 2013A Bonds to be redeemed, the principal to be redeemed and the interest rate applicable to the Series 2013A Bonds to be redeemed, the date fixed for redemption, the redemption price, the place or places of payment, the Trustee's or Paying Agent's name, that payment will be made upon presentation and surrender of the Series 2013A Bonds to be redeemed to the Trustee, that interest, if any, accrued to the date fixed for redemption and not paid will be paid as specified in said notice, and that on and after said date interest thereon will cease to accrue on the Series 2013A Bonds called for redemption, to the extent that moneys for payment of the redemption price, including accrued interest to the date fixed for redemption, are being held in trust by the Trustee therefor.

Failure to give any required notice of redemption as to any particular Series 2013A Bonds will not affect the validity of the call for redemption of any other Series 2013A Bonds with respect to which such failure does not occur. Any notice sent as provided herein will be conclusively presumed to have been given whether or not actually received by the addressee. When notice of redemption is given, Series 2013A Bonds called for redemption become due and payable on the date fixed for redemption at the applicable redemption price. In the event that funds are deposited by the Authority with the Paying Agent sufficient for redemption, interest on the Series 2013A Bonds to be redeemed will cease to accrue as of the redemption date.

Upon surrender of a Series 2013A Bond to be redeemed in part only, the Trustee will authenticate for the holder a new Series 2013A Bond or Series 2013A Bonds of the same maturity equal in principal amount to the unredeemed portion of the Series 2013A Bond surrendered.

Section 3.06 *Effect of Call for Redemption.* On the date so designated for redemption, notice having been given in the manner and under the conditions provided herein and moneys for payment of the redemption price including accrued interest to the date fixed for redemption being held in trust to pay the redemption price, (a) the Series 2013A Bonds so called for redemption shall become due and payable on the date fixed for redemption, (b) interest on such Series 2013A Bonds shall cease to accrue from and after such date fixed for redemption, (c) such Series 2013A Bonds shall cease to be entitled to any lien, benefit or security under the Indenture and (d) the owners of such Series 2013A Bonds shall have no rights in respect thereof except to receive payment of the redemption price. Earnings on amounts in the Interest Account shall be credited to such account.

(b) *Principal Account.* The Trustee shall deposit or transfer into the Principal Account of the Series 2013A Debt Service Fund amounts, as provided in the Master Indenture pursuant to Section 3.03(a) and this Ninth Supplemental Indenture, to be used to pay the principal of the Series 2013A Bonds at maturity. The Trustee shall also deposit into the Principal Account any other amounts deposited with it for deposit into such Principal Account or transferred from other funds and accounts for deposit therein. Earnings on amounts in the Principal Account shall be credited to such account.

(c) *Redemption Account.* The Trustee shall deposit or transfer into the Redemption Account of the Series 2013A Debt Service Fund amounts as instructed by or as received from the Authority, as provided in the Master Indenture pursuant to Section 3.03(a) and this Ninth Supplemental Indenture, to be used to pay the redemption price of Series 2013A Bonds being redeemed as provided in Section 2.12 of the Master Indenture and Section 3.02 of this Ninth Supplemental Indenture. The Trustee shall also deposit into the Redemption Account any other amounts deposited with it for deposit into the Redemption Account or transferred from other funds and accounts for deposit therein. Earnings on amounts in the Redemption Account shall be credited to such account, and any remaining earnings or other amounts therein following the applicable date fixed for redemption shall be withdrawn by the Trustee on the Business Day following such date fixed for redemption and deposited into the Revenue Fund, unless an Event of Default exists under the Master Indenture, in which event the earnings shall be retained in such Redemption Account.

Pursuant to Section 3.11 of the Master Indenture, amounts on deposit in the Series 2013A Debt Service Fund and the accounts therein may be invested and reinvested as directed by an Authorized Authority Representative in the Permitted Investments.

Section 4.04 *Series 2013A Debt Service Reserve Account.* As a condition of issuance of the Series 2013A Bonds, the Authority shall cause the Series 2013A Bond Insurer to deliver to the Trustee the Series 2013A Debt Service Reserve Surety Policy for deposit into the Series 2013A Debt Service Reserve Account of the Debt Service Reserve Fund in an amount equal to the Debt Service Reserve Requirement for the Series 2013A Bonds. Any moneys in the Series 2013A Debt Service Reserve Account in excess of the Debt Service Reserve Requirement for the Series 2013A Bonds shall be transferred to the Series 2013A Debt Service Fund, unless an Event of Default exists under the Indenture, in which event the excess amounts shall be retained in the Series 2013A Debt Service Reserve Account, as provided in Section 3.05(d) of the Master Indenture.

The Trustee is authorized and directed to accept and deposit into the Series 2013A Debt Service Reserve Surety Policy in its capacity as Trustee under the Master Indenture and all provisions in the Master Indenture relating to the rights, privileges, powers and protections of the Trustee shall apply with equal force and effect to all actions taken or not taken by the Trustee in connection with the performance of any duties or responsibilities of the Trustee with respect to or under the Series 2013A Debt Service Reserve Surety Policy.

Section 4.05 *Series 2013A Costs of Issuance Fund.* There shall be deposited into the Series 2013A Costs of Issuance Fund the amount provided in Section 4.02(b) above. The Trustee shall make payments or disbursements from the Series 2013A Costs of Issuance Fund, if any, to pay Costs of Issuance relating to the Series 2013A Bonds upon receipt from the Authority of a Requisition meeting the requirements of Section 3.13 of the Master Indenture. Pursuant to Section 3.11 of the Master Indenture, amounts on deposit in the Series 2013A Costs of Issuance Fund may be invested and reinvested as directed by an Authorized Authority Representative in the Permitted Investments. Subject to Section 3.11 of the Master Indenture, earnings on amounts in the Series 2013A Costs of Issuance Fund shall be retained therein. Upon the Trustee's receipt of written instructions from an Authorized Authority Representative, all amounts remaining on deposit in the Series 2013A Costs of Issuance Fund shall be transferred to the Series 2013A Debt Service Fund, and the Trustee shall close the Series 2013A Costs of Issuance Fund.

Section 6.01 *Application of Article VI.*

(a) All provisions herein regarding rights, consents, approvals, directions, appointments or requests by the Series 2013A Bond Insurer shall be deemed to not require or permit such consents, approvals, directions, appointments or requests by the Series 2013A Bond Insurer and shall be read as if the Series 2013A Bond Insurer were not mentioned therein, during any time in which: (i) the Series 2013A Bond Insurer is in default in its obligation to make payments under (A) the Series 2013A Bond Insurance Policy when due, (B) the Series 2013A Debt Service Reserve Surety Policy when due, or (C) any other municipal bond insurance policy or debt service reserve surety policy issued by the Series 2013A Bond Insurer when due and such failure shall continue for 30 days unless the obligation of the Series 2013A Bond Insurer to pay is being contested by the Series 2013A Bond Insurer in good faith by appropriate proceedings; (ii) the Series 2013A Bond Insurance Policy or the Series 2013A Debt Service Reserve Surety Policy shall at any time for any reason cease to be valid and binding on the Series 2013A Bond Insurer, or shall be declared to be null and void, in each case by a final, non-appealable order of a court of competent jurisdiction, or the validity or enforceability of any provision thereof is being contested by the Series 2013A Bond Insurer or any governmental agency or authority acting as a receiver or similar capacity for the Series 2013A Bond Insurer, or if the Series 2013A Bond Insurer is denying further liability or obligation under the Series 2013A Bond Insurance Policy or Series 2013A Debt Service Reserve Surety Policy; (iii) a proceeding has been instituted in a court having jurisdiction in the premises seeking an order for relief, rehabilitation, reorganization, conservation, liquidation or dissolution in respect of the Series 2013A Bond Insurer under Article 16 of the Insurance Law of the State of New York or any successor provision thereto or similar provision of law and such proceeding is not terminated for a period of 90 consecutive days or such court enters an order granting the relief sought in such proceeding; or (iv) the Series 2013A Insured Bonds are no longer Outstanding and any amounts due or to become due to the Series 2013A Bond Insurer have been paid in full; provided that to the extent that the Series 2013A Bond Insurer has made any payment of principal of or interest on the Series 2013A Bonds under the Series 2013A Bond Insurance Policy or the Series 2013A Debt Service Reserve Surety Policy, it shall retain its rights of subrogation and reimbursement under this Ninth Supplemental Indenture.

(b) Subject to Subsection 6.01(a) hereof, the covenants of the Authority in this Article VI are solely for the benefit of the Series 2013A Bond Insurer and can be modified or waived in whole or in part by the Series 2013A Bond Insurer or otherwise agreed to between the Authority and the Series 2013A Bond Insurer without the consent of the Trustee and the Holders of the Bonds. The failure by the Authority to comply with any such covenants in this Article VI shall constitute an Event of Default under the provisions of the Indenture if, and only if, the Series 2013A Bond Insurer gives a written notice of such failure to the Trustee and to the Authority, notwithstanding anything in the Indenture to the contrary.

Section 6.02 *Provisions Relating to the Series 2013A Bond Insurance Policy.*

As long as the Series 2013A Bond Insurance Policy shall be in full force and effect and the Series 2013A Bond Insurer is not in default of its obligation to make payments thereunder, the Authority, the Trustee and any Paying Agent hereby agree to comply with the following provisions:

(a) If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") on the Series 2013A Insured Bonds, there is not on deposit with the Trustee, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of and interest on the Series 2013A Insured Bonds due on such Payment Date, the Trustee shall give notice to the Series 2013A Bond Insurer and to its designated agent (if any) (the "Series 2013A Bond Insurer's Fiscal Agent") by telephone or teletype of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2013A Insured Bonds due on such Payment Date, the Trustee shall make a claim under the Series 2013A Bond Insurance Policy and give notice to the Series 2013A Bond Insurer and the Series 2013A Bond Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Series 2013A Insured Bonds and the amount required to pay principal of the Series 2013A Insured Bonds, confirmed in writing to the Series 2013A Bond Insurer and the Series 2013A Bond Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Series 2013A Bond Insurance Policy.

(b) The Trustee shall designate any portion of payment of principal on Series 2013A Insured Bonds paid by the Series 2013A Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2013A Insured Bonds registered to the then current Holder of the Series 2013A Insured Bonds, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2013A Bond to the Series 2013A Bond Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Series 2013A Insured Bond shall have no effect on the amount of principal or interest payable by the Authority on any Series 2013A Insured Bond or the subrogation rights of the Series 2013A Bond Insurer.

(c) The Trustee shall keep a complete and accurate record of all funds deposited by the Series 2013A Bond Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Series 2013A Insured Bond. The Series 2013A Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

(d) Upon payment of a claim under the Series 2013A Bond Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of holders of the Series 2013A Insured Bonds, which is referred to herein as the "Policy Payments Account,"

and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Series 2013A Bond Insurance Policy in trust on behalf of Holders of the Series 2013A Insured Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Holders of the Series 2013A Insured Bonds in the same manner as principal and interest payments are to be made with respect to the Series 2013A Bonds under the sections of the Indenture regarding payment of Senior Lien Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments.

(e) Notwithstanding anything in the Indenture to the contrary, the Authority agrees to pay to the Series 2013A Bond Insurer: (i) a sum equal to the total of all amounts paid by the Series 2013A Bond Insurer under the Series 2013A Bond Insurance Policy (the "Insurer Advances"), which Insurer Advances shall be payable with monies deposited into the Series 2013A Debt Service Fund pursuant to Section 3.03(a) paragraph FIRST of the Master Indenture; and (ii) interest on such Insurer Advances from the date paid by the Series 2013A Bond Insurer until payment thereof in full, payable to the Series 2013A Bond Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"), which Insurer Reimbursement Amounts shall be payable as Financing Fees with monies deposited pursuant to Section 3.03(a) paragraph THIRD of the Master Indenture. "Late Payment Rate" means the lesser of: (A) the greater of (I) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (II) the then applicable highest rate of interest on the Series 2013A Insured Bonds, and (B) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days.

(f) Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Payment Date of the Series 2013A Insured Bonds shall promptly be remitted to the Series 2013A Bond Insurer.

**Section 6.03 *Provisions Relating to Series 2013A Debt Service Reserve Surety Policy.***

(a) The Trustee shall ascertain the necessity for making a claim upon the Series 2013A Debt Service Reserve Surety Policy in accordance with the provisions of subparagraph (b) hereof and shall provide notice to the Series 2013A Bond Insurer in accordance with the terms of the Series 2013A Debt Service Reserve Surety Policy at least five (5) Business Days prior to each date upon which interest or principal is due on the Series 2013A Bonds. Where deposits are required to be made by the Authority with the Trustee to the Series 2013A Debt Service Fund more often than semi-annually, the Trustee shall give notice to the Series 2013A Bond Insurer of any failure of the Authority to make timely payment in full of such deposits within two Business Days of the due date.

(b) The Authority shall repay, or cause to be repaid, any draws under the Series 2013A Debt Service Reserve Surety Policy and pay all related reasonable expenses incurred by the Series 2013A Bond Insurer and shall pay interest thereon from the date of payment by the Series 2013A Bond Insurer at the Late Payment Rate, which amounts shall be payable as a Debt Service Reserve Surety Repayment Obligation pursuant to Section 3.03(c) of the Master Indenture. "Late Payment Rate means the lesser of: (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Series 2013A Bonds, and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Series 2013A Bond Insurer shall specify.

If the interest provisions of this subparagraph (b) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Series 2013A Bond Insurer, with the same force and effect as if the Authority had specifically designated such extra sums to be so applied and the Series 2013A Bond Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

(c) Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Policy Costs constitute Debt Service Reserve Surety Repayment Obligations with respect to the Series 2013A Debt Service Reserve Surety Policy and shall be paid as provided in Section 3.03(c) of the Master Indenture.

Amounts in respect of Policy Costs paid to the Series 2013A Bond Insurer shall be credited: first to interest due, then to the expenses due, and then to principal due. As and to the extent that payments are made to the Series 2013A Bond Insurer on account of principal due, the coverage under the Series 2013A Debt Service Reserve Surety Policy will be increased by a like amount, subject to the terms of the Series 2013A Debt Service Reserve Surety Policy.

(d) All cash and investments in the Series 2013A Debt Service Reserve Account shall be transferred by the Trustee to the Series 2013A Debt Service Fund for payment of debt service on the Series 2013A Bonds before any drawing may be made on the Series 2013A Debt Service Reserve Surety Policy or any other credit facility credited to the Series 2013A Debt Service Reserve Fund in lieu of cash (a "Credit Facility"). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the Series 2013A Debt Service Reserve Surety Policy) on which there is available coverage shall be made by the Trustee on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Series 2013A Debt Service Reserve Fund, payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Series 2013A Debt Service Reserve Fund. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable Credit Facility without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(e) The Indenture shall not be discharged until all Policy Costs owing to the Series 2013A Bond Insurer shall have been paid in full. The Authority's obligation to pay such amounts shall expressly survive payment in full of the Series 2013A Bonds.

**Section 6.04 *Covenants of the Authority For the Benefit of the Series 2013A Bond Insurer; Rights of Series 2013A Bond Insurer.***

(a) The written consent of the Series 2013A Bond Insurer shall be required in lieu of the request, consent, approval, direction or appointment of the Holders of the Series 2013A Insured Bonds whenever a consent, approval, direction or appointment by such Holders are required or permitted under the Indenture, including, without limitation for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action which such Holders are entitled to take pursuant to the Indenture pertaining to (i) defaults and remedies, (ii) the duties and obligations of the Trustee and (iii) any amendment, supplement, modifications to, waiver of, the Indenture that requires the consent of Holders of the Series 2013A Bonds or adversely affects the rights and interest of the Series 2013A Bond Insurer. To eliminate any doubt, the Holders of the Series 2013A Insured Bonds shall have no right to give any request, consent, approval, direction or appointment which is required or permitted by the Indenture to be given by such Holders, except when the Series 2013A Bond Insurer has lost its rights to give such consent, approval, direction or appointment pursuant to Section 6.01(a) hereof.

(b) The Authority shall send any request to the Series 2013A Bond Insurer at its address set forth in Section 6.05(b) requesting its consent, in lieu of the consent of the Holders of the Series 2013A Insured Bonds.

(c) The Authority shall not issue any Series of Senior Lien Bonds (other than Refunding Bonds) pursuant to the Master Indenture unless it shall have obtained the prior written consent of the Series 2013A Bond Insurer, which consent, if any, shall be provided in the sole discretion of the Series 2013A Bond Insurer; provided, however, that unless otherwise permitted

by the Series 2013A Bond Insurer, no Series of Senior Lien Bonds (including Refunding Bonds) shall be issued (i) if an Event of Default (or any event which, once all notices or grace periods have passed, would constitute an Event of Default) exists, unless such default shall be cured upon the issuance of such Bonds or (ii) unless the Series 2013A Debt Service Reserve Account is fully funded at the Debt Service Reserve Requirement for the Series 2013A Bonds as required by the Master Indenture.

(d) Without the prior written consent of the Series 2013A Bond Insurer, the Authority shall not approve or agree to any amendment, waiver or other modification of the Use and Operating Agreement which could be reasonably expected to result in a material impairment of the security for the Series 2013A Bonds or adversely affect the Series 2013A Bond Insurer's rights and interests under the Indenture or its obligations under the Series 2013A Bond Insurance Policy or the Series 2013A Debt Service Reserve Surety Policy.

In addition, no contract shall be entered into by the Authority or any action taken by the Authority which may impair or prejudice in any material respect the rights of the Series 2013A Bond Insurer or security for or sources of payment of the Series 2013A Insured Bonds, except upon obtaining the prior written consent of the Series 2013A Bond Insurer.

(e) The Series 2013A Bond Insurer shall, to the extent it makes any payment of principal of or interest on the Series 2013A Insured Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Series 2013A Bond Insurance Policy. Each obligation of the Authority to the Series 2013A Bond Insurer under the Indenture or any other transaction document, including any underlying security agreement (each, a "Related Document") shall survive discharge or termination of such Related Document.

(f) The Authority shall pay or reimburse, or cause to be paid or reimbursed, the Series 2013A Bond Insurer for any and all charges, fees, costs and expenses that the Series 2013A Bond Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Indenture or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Indenture or any other Related Document or the transactions contemplated thereby (other than costs resulting from the failure of the Series 2013A Bond Insurer to honor its obligations under the Series 2013A Bond Insurance Policy or Series 2013 Debt Service Reserve Surety Policy), all of which charges, fees, costs and expenses constitute Financing Fees payable pursuant to Section 3.03(a) paragraph THIRD of the Master Indenture. The Series 2013A Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture or any other Related Document.

(g) After payment of reasonable expenses of the Trustee, the application of funds realized upon an Event of Default shall be applied to the payment of expenses of the Authority or rebate only after the payment of past due and current debt service on the Series 2013A Bonds and amounts required to restore the Series 2013A Debt Service Reserve Account to the Debt Service Reserve Requirement for the Series 2013A Bonds.

(h) The Series 2013A Bond Insurer shall be entitled to pay principal or interest on the Series 2013A Insured Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Authority (as such terms are defined in the Series 2013A Bond Insurance Policy), whether or not the Series 2013A Bond Insurer has received a Notice of Nonpayment (as such terms are defined in the Series 2013A Bond Insurance Policy) or a claim upon the Series 2013A Bond Insurance Policy.

(i) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Indenture would adversely affect the security for the Series 2013A Insured Bonds or the rights of the Holders of the Series 2013A Insured Bonds, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Series 2013A Bond Insurance Policy.

(j) The Series 2013A Bond Insurer shall have the right to approve any Swap for the Series 2013A Bonds.

(k) Except for the Series 2013A Debt Service Reserve Surety Policy delivered at the time of the closing of the Series 2013A Bonds, the prior written consent of the Series 2013A Bond Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Series 2013A Debt Service Reserve Account.

(l) The Series 2013A Bond Insurer is a third party beneficiary to the Indenture.

(m) The exercise of any provision of the Indenture which permits the purchase of Series 2013A Insured Bonds in lieu of redemption shall require the prior written approval of the Series 2013A Bond Insurer if any Series 2013A Insured Bond so purchased is not cancelled upon purchase.

(n) In the event of any reorganization or liquidation of the Authority which requires the approval of the Holders of the Series 2013A Insured Bonds, the Series 2013A Bond Insurer shall have the right to vote on behalf of all Holders of the Series 2013A Insured Bonds.

(o) The rights granted to the Series 2013A Bond Insurer under the Indenture or any other Related Document to request, consent to or direct any action are rights granted to the Series 2013A Bond Insurer in consideration of its issuance of the Series 2013A Bond Insurance Policy. Any exercise by the Series 2013A Bond Insurer of such rights is merely an exercise of the Series 2013A Bond Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Holders of the Series 2013A Insured Bonds and such action does not evidence any position of the Series 2013A Bond Insurer, affirmative or negative, as to whether the consent of the Holders of the Series 2013A Insured Bonds or any other person is required in addition to the consent of the Series 2013A Bond Insurer.

(p) To accomplish defeasance of the Series 2013A Insured Bonds pursuant to Article V of the Master Indenture, the Authority shall cause to be delivered to the Series 2013A Bond Insurer: (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Series 2013A Bond Insurer

(“Accountant”) verifying the sufficiency of the escrow established to pay the Series 2013A Insured Bonds in full on their maturity or redemption date (“Verification”), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Series 2013A Bond Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Series 2013A Insured Bonds are no longer “Outstanding” under the Indenture and (iv) a certificate of discharge of the Trustee with respect to the Series 2013A Insured Bonds. Each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Authority, Trustee and Series 2013A Bond Insurer. The Series 2013A Bond Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the defeasance escrow.

(q) Series 2013A Insured Bonds shall be deemed “Outstanding” under the Indenture unless and until they are in fact paid or defeased in accordance with Article V of the Master Indenture and Subsection(p) above.

(r) Amounts paid by the Series 2013A Bond Insurer under the Series 2013A Bond Insurance Policy shall not be deemed paid for purposes of the Indenture and the Series 2013A Insured Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Authority in accordance with the Indenture. The Indenture shall not be discharged unless all amounts due or to become due to the Series 2013A Bond Insurer have been paid in full or duly provided for.

(s) Each of the Authority and Trustee covenant and agree to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Trust Estate under applicable law.

#### **Section 6.05 *Notices to Series 2013A Bond Insurer.***

1. **Master Indenture; Ninth Supplemental Indenture.** The Authority has entered into a Master Trust Indenture, dated as of January 1, 1999, as amended and supplemented (the "Master Indenture"), with U.S. Bank National Association, as trustee (the "Trustee"). The Master Indenture provides that the Authority may issue bonds and incur other indebtedness under the terms and conditions set forth in the Master Indenture and any Supplemental Indenture. All bonds and other indebtedness issued thereunder and secured thereby are collectively referred to herein as "Bonds."

This bond is part of a series of Bonds of the Authority designated as Alameda Corridor Transportation Authority Tax Exempt Senior Lien Revenue Refunding Bonds, Series 2013A (the "Series 2013A Bonds"). The Series 2013A Bonds are issued under the Master Indenture and a Ninth Supplemental Trust Indenture, dated as of February 1, 2013 (the "Ninth Supplemental Indenture"), between the Authority and the Trustee and authorized by Resolution No. JPA-12-3 adopted by the Authority on November 8, 2012 and by Resolution No. JPA-13-1 adopted by the Authority on January 10, 2013. The Series 2013A Bonds, which consist of Current Interest Bonds, are being issued in the original principal amount of \$248,325,000. The Series 2013A Bonds are equally and ratably secured under the Master Indenture and the Ninth Supplemental Indenture. This Series 2013A Bond shall be deemed a "Senior Lien Bond" as defined in the Master Indenture. The Series 2013A Bonds shall be on a parity with the Alameda Corridor Transportation Authority Tax-Exempt Senior Lien Revenue Bonds, Series 1999A issued by the Authority on February 9, 1999 (the "Series 1999A Bonds"), the Alameda Corridor Transportation Authority Taxable Senior Lien Revenue Bonds, Series 1999C issued by the Authority on February 9, 1999, the Alameda Corridor Transportation Authority Taxable Senior Lien Revenue Refunding Bonds, Series 2012 and any other Senior Lien Bonds issued from time to time under the Master Indenture, as and to the extent provided in the Master Indenture. The Series 2013A Bonds are being issued to refund all of the outstanding Series 1999A Bonds that are Current Interest Bonds.

The terms of the Series 2013A Bonds include the terms set forth in the Master Indenture and the Ninth Supplemental Indenture. Bondholders are referred to the Master Indenture and the Ninth Supplemental Indenture, each as may be amended and supplemented from time to time (collectively, the "Indenture"), for a statement of those terms, to all of which provisions the Registered Owner assents, by acceptance hereof. Capitalized terms used but not otherwise defined in this bond shall have the meanings given to them in the Indenture.

2. **Source of Payments.** The Series 2013A Bonds, together with all other Bonds, are secured by the Trust Estate and payable from the Revenues, as described in the Master Indenture. Pursuant to the Master Indenture, the Authority has pledged the Revenues, subject to application and priorities as described therein, to secure payment of all Bonds issued under the Master Indenture. The Senior Lien Bonds authorized and issued under the provisions of the Master Indenture shall be secured by a pledge of Revenues and a first lien on the Trust Estate. The Authority hereby represents and states that it has not previously created any pledge, charge or lien on any security interest in the Trust Estate prior to or on parity with the lien of the Senior Lien Bonds, and the Authority covenants that, until all the Senior Lien Bonds authorized and issued under the provisions of the Master Indenture and the interest thereon shall have been paid or deemed to have been paid, the Authority will not, except as specifically provided in the

Master Indenture, grant any prior or parity pledge of or any lien on or security interest in the Trust Estate, or create or permit to be created any charge or lien thereon or any security interest therein ranking prior to or on a parity with the charge or lien of the Senior Lien Bonds from time to time Outstanding under the Master Indenture.

3. **Interest Rate.** This bond shall bear interest from its date until its maturity or prior redemption at the Interest Rate shown on the face of this bond. Interest on overdue principal and, to the extent lawful, on overdue interest will accrue at the rate shown on the face of this bond until all overdue amounts (including interest thereon) are paid in full (or payment of such amounts is provided for as set forth in the Indenture). Interest on this bond shall be calculated on the basis of a year of 360 days and twelve 30-day months.

4. **Interest Payment and Record Dates.** Interest hereon will be due and payable on April 1, 2013 and on each October 1 and April 1 thereafter until maturity or prior redemption, and will be paid by the Paying Agent to the party who is the owner hereof on the Record Date for such payment. The Record Date for an April 1 payment is the preceding March 15, and the Record Date for an October 1 payment is the preceding September 15. If this bond is not a Book-Entry Series 2013A Bond, as defined in the Ninth Supplemental Indenture, interest hereon will be paid by check mailed to the holder's registered address, and if this bond is a Book-Entry Series 2013A Bond, interest will be paid as provided in the Ninth Supplemental Indenture.

5. **Payment of Principal.** Principal of this bond will be paid at maturity or prior redemption upon surrender of this bond to the Paying Agent, except that with respect to Book-Entry Series 2013A Bonds, the Paying Agent may make arrangements for payment of principal as provided in the Ninth Supplemental Indenture. Principal and interest will be paid in lawful money of the United States. If any payment on this bond is due on a non-Business Day, it will be made on the next Business Day, and no interest will accrue on that payment for the intervening period as a result.

6. **Redemption.**

(a) **Mandatory Redemption.** The Series 2013A Bonds are not subject to mandatory sinking fund redemption.

(b) **Optional Redemption.** The Series 2013A Bonds maturing on or after October 1, 2024 are subject to redemption, on any date on or after October 1, 2023, in whole or in part, at the option of the Authority, from any moneys that may be provided for such purpose, at the redemption price equal to 100% of the principal amount of such Series 2013A Bonds to be so redeemed, plus accrued interest to the date fixed for redemption.

(c) **Extraordinary Redemption.** The Series 2013A Bonds are subject to extraordinary redemption as provided in the Master Indenture.

(d) **Notice of Redemption.** At least thirty (30) days (or at least 20 days for Book-Entry Bonds) but not more than sixty (60) days before each date fixed for redemption, the Trustee will give notice as provided in the Ninth Supplemental Indenture to each Registered Owner of a Series 2013A Bond to be redeemed,

which notice may be conditional in the case of optional redemption. Failure to give any required notice of redemption will not affect the validity of the call for redemption of any other Series 2013A Bond with respect to which such failure does not occur. Any notice sent as provided in the Ninth Supplemental Indenture will be conclusively presumed to have been given whether actually received by the addressee..

(e) *Effect of Redemption.* When notice of redemption is given and funds sufficient for redemption are deposited with the Paying Agent, Series 2013A Bonds called for redemption become due and payable on the date fixed for redemption at the applicable redemption price plus accrued interest to the date fixed for redemption; and thereafter interest on the Series 2013A Bonds to be redeemed ceases to accrue as of the date fixed for redemption.

7. ***Denominations; Transfer; Exchange.*** The Series 2013A Bonds are available in denominations of \$5,000 or any integral multiple thereof. A Registered Owner may transfer or exchange Series 2013A Bonds in accordance with the Master Indenture and the Ninth Supplemental Indenture. The Trustee and the Registrar may require a Registered Owner, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Master Indenture.

8. ***Persons Deemed Owners.*** The Registered Owner of this bond shall be treated as its owner for all purposes.

9. ***Unclaimed Money.*** If moneys for the payment of the principal of, premium, if any, or interest remain unclaimed for one year, such moneys will be paid to or for the account of the Authority. After that, Registered Owner entitled to such moneys must look only to the Authority and not to the Paying Agent or the Trustee for payment.

10. ***Discharge Before Maturity.*** If the Authority at any time deposits with the Trustee money or Government Obligations as described in the Master Indenture sufficient to pay in full the principal of, premium, if any, and interest on all Outstanding Bonds (including this bond), and if the Authority also pays all other sums then payable by the Authority under the Master Indenture, then the Master Indenture and all Supplemental Indentures thereto will be discharged. After discharge, Bondholders must look only to the deposited money and securities for payment. If the Authority at any time deposits with the Trustee money or Government Obligations as described in the Master Indenture sufficient to pay in full the principal of, premium, if any, and interest on any portion of the Outstanding Bonds, then such Bonds with respect to which the deposit was made shall no longer be deemed to be Outstanding and shall no longer be secured by the Master Indenture except to the extent of the funds set aside therefor.

11. ***Amendment, Supplement, Waiver.*** The Master Indenture, the Ninth Supplemental Indenture and the Series 2013A Bonds may be amended or supplemented, and any past default or compliance with any provision may be waived, only as provided in the Master Indenture and the Ninth Supplemental Indenture. Any consent given by the Registered Owner of this bond shall bind any subsequent Registered Owners of this bond or any Series 2013A Bond delivered in substitution for this bond.

12. **Defaults and Remedies.** The Master Indenture provides that the occurrences of certain events constitute Events of Default. Bondholders may not enforce the Indenture or the Series 2013A Bonds except as provided in the Master Indenture. The Trustee may refuse to enforce the Indenture or the Series 2013A Bonds unless it receives indemnity satisfactory to it in accordance with Section 7.07 of the Indenture. Subject to certain limitations, Registered Owners of 25% or more of the Bond Obligation amount of the Bonds (including this bond), determined in accordance with the terms of the Master Indenture and the Ninth Supplemental Indenture, may direct the Trustee in its exercise of certain of such trusts or powers.

13. **No Recourse Against Others.** No member, director, officer, official or employee of the Authority shall have any personal liability for any obligations of the Authority under the Series 2013A Bonds, the Master Indenture or the Ninth Supplemental Indenture or for any claim based on such obligations or their creation or be subject to any personal liability or accountability by reason of the issuance thereof. Each Bondholder, by accepting a Series 2013A Bond, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of this bond.

14. **Authentication.** This bond shall not be valid until the Trustee or an authenticating agent signs the certificate of authentication on the second page of this bond.

15. **Abbreviations.** Customary abbreviations may be used in the name of a Bondholder or an assignee, such as TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= custodian) and U/G/M/A (= Uniform Gifts to Minors Act).
